 United States Magistrate Judge,

 Southern District of New York

Re: DAVIS v. Rhoades, et al.,
 07-cv-6592 (JGK)

Dear Magistrate Judge KATZ:

I Am Writing to you regarding the Above-Noted Matter And to Point out you some difficulties, I have encountered recently in serving some of the Defendants' in this case with the Summons And Amended Complaint, And Am Asking that I be Allowed a little more time to effectuate the services of the defendants yet to be served.

I Mailed to the Pro Se Clerk of this Court two copies of the Amended Complaint, which was required to be filed in the Court's by February 20, 2008. I Also Mailed a copy of the Amended Complaint to MARIA HARTOGILLIS, Assistant Attorney General, who are Acting as the Attorney for some of the defendants named in this lawsuit.

I have served two of these defendants with a copy of the Summons And Amended Complaint, but I Am encountering some difficulties in serving several of

the defendants who are located at Mid-Orange Correctional Facility, because of the amount of copies I am required to send to the sheriff's office of Orange County for service. This ~~over~~ because I am required to send 21 copies of the complaint which requires me to make more than 3,864 Xerox copies of the complaint and exhibits and I must use the Facility print shop to bind all these papers, because the Law Library at Woodbourne have nothing that I could use to bind all the papers and their largest staple is too small to bind all the papers (see ~~for~~ complaint of complaint).

The print shop at Woodbourne operate Monday through Friday and remain closed closing two or three days a week and due to the holidays and having been relocated for the last several (7) days, which have hampered my ability to make the Xerox copies and to use the print shop to bind all the required copies and send them to the sheriff's office for service. I must personally bind all these papers which permitted to do so, which I had anticipated to have ~~the~~ been able to complete and mailed to the sheriff's office for service on February 22, 2008.

I am, therefore, requesting that I be allowed some additional time of at least two weeks to enable me to complete and send the required copies to Orange County Sheriff's Department for service with March 14, 2008, which to serve the several (7) defendants at Mid-Orange Correctional Facility with the summons and complaint (see copy attached).

The request for additional time for service is granted.
The Amended Complaint shall be served by no later than March 24, 2008
